

SCRAP TIRE COLLECTION

April 20th– 7:30 AM – 4:00 PM

The City of West Des Moines is once again partnering with the Metro Waste Authority in offering a Residential Scrap Tire Collection on Saturday, April 20, from 7:30 AM to 4:00 PM at the West Des Moines Public Works facility located at 560 S. 16th Street. Go to the last driveway on the East side of S. 16th Street in the cul-de-sac area of the street. Tires will be accepted at the gate.

Residents may dispose of a maximum of five (5) tires per household (tires on rims are accepted). In special situations where a household may have more than five (5) tires, please contact Metro Waste Authority to be considered for an exemption. This program does not accept scrap tires generated by any business, farm or tractor tires, or solid tires such as lawnmower, forklift, or golf car tires.

The tire collection is open to West Des Moines residents only. If you have any questions, please call Metro Waste Authority at 244-0021 or Public Works at 222-3480.

Illegal dumping and stockpiling of used tires can create serious health and safety risks. In Iowa, it is illegal to dump tires, and non-shredded tires are banned from landfills!

Let the City of West Des Moines in partnership with Metro Waste Authority help you dispose of old tires legally and free of charge. Bring your old tires to the Public Works Department on April 20th !
